_____ (Student's full name) has my permission to participate in the Rancho El Chorro Outdoor School program sponsored by the San Luis Obispo County Office of Education and student's home district. It is my understanding that this activity is made pursuant to the provisions of Education Code Sections #35350 and #35330 and that such sections provide that all persons participating in this activity shall be deemed to have waived all claims against the San Luis Obispo County Office of Education, the student's home district, or the State of California for injury, illness or death occurring during or by reasons of this activity. It is my further understanding that pupils will be under school supervision during this activity and transportation is being furnished by or as authorized by the student's home district.

In the event that I cannot be reached, I give permission for school authorities to obtain immediate medical aid or ambulance service. Further, as a parent or guardian of a student who will be attending Rancho El Chorro Outdoor School, I understand that an Outdoor School is not the same physical environment as a traditional school. There are certain inherent hazards associated with attending an outdoor school that a student does not encounter in a traditional school setting. For example, the student's "school day" is twenty-four hours long.

Understanding these circumstances, I agree that the County Superintendent, the Board of Education, each respective district, and all personnel, employees and agents of said County Superintendent, Board of Education, and each respective district are not responsible in any way for any injuries and/or damages which my child may suffer or sustain while attending or traveling to or from Rancho El Chorro Outdoor School. Accordingly, I hold these parties harmless and voluntarily waive any rights I may have to pursue any legal action against these parties for any such injuries and/or damages. I understand that this hold harmless agreement extends to any of these parties who may act pursuant to the above medical instructions or pursuant to the instructions of the attending physician or hospital. It is understood that the resulting expense will be the responsibility of the student's parent(s)/guardians(s). I hereby give permission for my child to be photographed or videotaped by employees of the Rancho El Chorro Outdoor School and the San Luis Obispo County Office of Education for educational and promotional use on television, on brochures or other printed materials, or on the County Office of Education website. Indicate if you do not give consent below.

I **do not** give my permission for my child to be photographed or videotaped.
